## Educate a Child: Change the World

### The Path to Escaping Poverty

*Why education is the key*

Since 1970, the generous donations of TEF members like you have empowered thousands of underprivileged, yet talented children in Turkey to continue their education and escape poverty. The United Nations reports that educating children, particularly girls, leads to economic growth, improved health, and longer life expectancy throughout the community. We at the Turkish Educational Foundation know first hand that our members make this promise a reality.

Our team of volunteers at TEF has been working closely with our partner organizations in Turkey to identify and reach potential scholarship students – and provide them the means to continue their education.

### It Pays to Stay in School

*Why TEF scholarships succeed*

Ninety-eight percent of your TEF donations become scholarship funds that go directly to students and their families. These scholarships are awarded to schoolchildren who demonstrate both academic excellence and financial need. Each scholarship provides a strong incentive for a family to keep their son or daughter in school.

With your generous donations, TEF helps families understand both the immediate and long-term value of continuing their children's middle school and high school education.

## Donate Today. Change a Child's Life Forever.

*Why your gift to TEF matters*

Now, more than ever, the Turkish Educational Foundation needs your support. Every donation makes a real difference, especially in these tough economic times.

- Some members donate because of the TEF track record of success in educating children.
- Some sponsor annual scholarships to remember their parents or grandparents.
- Some want to share their good fortune with a poor child as an act of *sadaka*, *zakat* or charity.
- Some want to do their part to continue Atatürk's vision for educating the youth of Turkey.

**Whatever your reason, act today and send TEF your gift to sponsor a child's education.**

- A \$25 donation will support one month of a student scholarship.
- A \$300 donation will sponsor one student's entire annual scholarship.

**Your donation of \$25, \$300 or the amount you can afford, will change a child's life forever.**

On behalf of all the schoolchildren, we at TEF thank you for your generous continued support.
